## THE RACE IS ON...

There is still time to enter the Moffat County Library's "Race the Idita-READ"

Open to all ages, sign-up is FREE.

Kids and Teens get racing logs to track their time spent reading their way across Alaska to the finish line and earning fun prizes while our non-readers participate by being read to. Adults receive one entry into a gift basket drawing for every book or audiobook completed during the program. Stop by the Dinosaur library branch or call (970) 824-5116 for more information.

## THERE IS STILL TIME..

The Dinosaur Library is still accepting volunteers. Contact Keisha Bickford 970-824-5116 X404 for more information.

## BE ON THE LOOKOUT!

For my new "Dinosaurs Diary" Facebook page where I share all my shenanigans, history and more!
